# REQUEST FOR DECISION

Meeting: November 12, 2024

---

## RED APPLE – USE OF SIDEWALK/ROAD CLOSURE REQUEST (EVENT)

---

### DESCRIPTION/BACKGROUND:

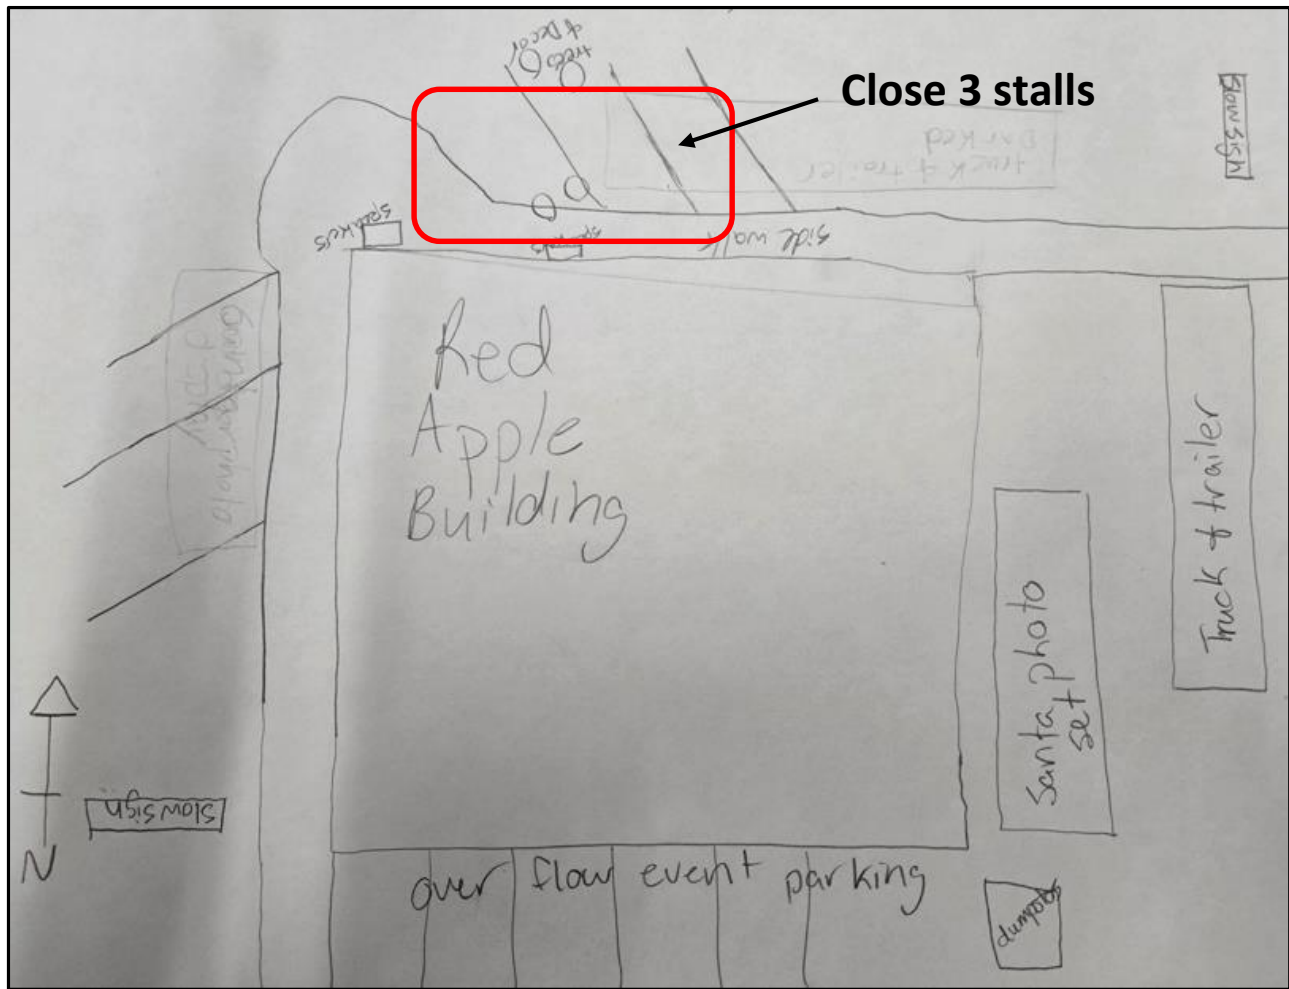

Red Apple store is having a Fill-A-Sleigh (toy drive) event scheduled to take place on December 9 from 9am to 6pm.

The vacant property owner to the east has given permission to park a truck to stack donated toys and use the lot for the event. This is also where they will be setting up the photo booth with a horse (in a pen). Volunteers will man the outdoor areas all day. The area will also be signed. They would like to set up signage and have the event displayed along the sidewalk. The sidewalk will not be closed to the public, but they do require permission from Council to utilize the sidewalk for the event. The only closure would be for the three parking stalls in front of the store to allow more room and display (signage).

### DISCUSSION/OPTIONS:

If Council approves the request, barricades could be provided the morning of the event and stored at the back of the building until the next day.

**PROPOSED RESOLUTIONS:**

Moved by Councillor \_\_\_\_\_ to approve the sidewalk use and road closure of three parking stalls in front of the Red Apple store for their fill a sleigh event on December 9<sup>th</sup> from 9am to 6pm.
