| <p>Mayor Schlossberger</p> | <p>Nov. 1 Attended Mayors & Reeves. I was thoroughly impressed by a presentation from the group heading up a medical school at U of L. This will be a collaboration between U of C and U of L. This will be a school to educate rural students who want to become rural doctors. Fact 75% of med students in rural, become doctors in rural. There will be a clinic in the science building at U of L. When this program is up and running in 2026, it will accept 30 students per year. These students will be travelling out to rural hospitals to get hands on experience. This training will be multi disciplinary medicine. This is an extremely important initiative for southern Alberta. 140 doctors left Alberta in 2022. We have to train as many doctors as possible. Many hospitals and doctors from across southern Alberta are very involved in this initiative.</p> <p>Nov. 1 Attended the Legacy of Land event and supper in Stavelly. Great evening. Great program. Great supper. Thank you to the MD of Willow Creek for invite.</p> <p>Nov. 2 Attended the Claresholm Health Foundation duelling pianos evening. Wonderful evening. Great cause. Great food. Wonderful company!!</p> <p>Nov.2 Met with a gentleman from Calgary who wants to build housing in Claresholm. He had talked to our development officer previously. I thanked him for his interest and investment in Claresholm.</p> |
