The Range 2025 - July 19, 2025!

We are on for our traditional Saturday on the 3rd weekend of July!

Registration announcement will be coming, but mark your calendars for the date.

The Frontier - A new addition to the event

The Frontier will be our 4th distance, and this will take the riders beyond The Range and into some amazing territory. I have had this route in my pocket for a few years, and with the success of the event, we can finally offer this ultimate

The stats are daunting: 210 km, 2950 m elevation, 8 categorized climbs. However, the scenery is unparalleled. Scouting this route with a friend after the event in 2022, we were just blown away by this 85 km loop. This will add 85 km of adventure and solitude thru Porcupine Hills, out to the Grasslands, past historic ranches and back up joining the Classic Range route. Pic above and 2 below are from our day. Oh and we saw exactly 0 cars.
