Dear Mayor Schlossberger;

Re: Rowan House Society 25-year Anniversary

My name is Linette Soldan, and I have the privilege and honor of serving as the Executive Director of Rowan House Society, a rural organization that brings heart to the hard work of erasing domestic violence and abuse in our communities.

We are honoured to support the community through our following programs: Preventative Education Program, 24-hour Support Line, Emergency Shelter, Children's Program, Outreach Program, Court Support Program and Safe at Home Program.

On March 27, 2025, we will celebrate a momentous milestone—25 years of service in the communities of Foothills County, Vulcan County, and the MD of Willow Creek. It is with great excitement and humility that I extend this invitation to you in hopes that you will join us for this special occasion.

By attending this event, you would be providing tangible, visible support for our communities most vulnerable individuals and children, our unsung heroes. This commemoration is a celebration about all those who have stood in the face of uncertainty and opposition and thrived.

As a beloved member of one of our service communities, a representative for the rural way of life and a proponent of happy, healthy communities we implore you to join us on this occasion to raise your heart in solidarity. From your intersectional lens of being a resident and political representative you are well versed in how challenges knit our communities tighter and how every success is just a little sweeter for it. We see your steadfast dedication to the reduction of gender-based violence and your desire to keep vibrant communities safe and supported; we would love to open the discourse on these issues and what we at Rowan House can do!

Mayor Schlossberger, your presence at this event would not only honor our journey but also further underscores the importance of addressing domestic abuse and supporting the families who need us most. We would also be delighted to welcome you to tour Rowan House Society to gain deeper insight into the work we do and the lives we touch.

Thank you for your time, representation, and commitment to our province. Together, we can continue building a future where integrity, resiliency and compassion walk hand in hand, empowering individuals on whatever path they must walk.

Warm regards,

Linette Soldan
