Subject: FW: Chinook Intermunicipal SDAB Training - January 23 & 30, 2025

Hi Tara,

Please see below for my email thread with Mr. McAlonan, who has requested to no longer be a member of the Chinook SDAB. At this time I have marked him as unavailable in our system, but Council will need to accept his resignation in order for him to be removed as an appointee from the Board.

In addition, the Town's other appointee is Councillor Rod Kettles, who is training is valid until December 2026.

If I can be of any further assistance, please let me know.

Thank you,

Raeanne Keer
