Dear Mayors, Councillors and CAOs,

As a Mayor and President of Alberta Municipalities, I know firsthand the pressure you face as a leader and member of your community. We are facing increased conflict with our constituents, as well as our peers in the council chambers. That's why our 2025 Alberta Municipalities President's Summit is focused on the topic of civility.

Our President's Summit on March 5 provides the opportunity for in-depth, in-person discussions on various aspects of civility in municipal leadership, including promoting a civil social media landscape, harassment in council chambers and the workplace, and ways to look after yourself and others.

By attending, you will have the opportunity to learn from experts and peers, as well help shape the future of municipal leadership across our province to ensure safe and healthy workplaces for years to come.

To help save on travel costs, we're holding President's Summit alongside Spring Municipal Leaders Caucus (MLC) which follows the Summit on March 6 & 7. Over those two days, you will engage with your colleagues on important topics including resources for the upcoming municipal election, a session dedicated to policing, and breakout session specific to your municipality type. MLC also provides the opportunity to hear from the Premier, Minister of Municipal Affairs, and Leader of the Opposition.

It's going to be fun. It's going to be informative. It's going to be engaging. Don't miss out.
