**Subject: WOW Student Celebration Initiative and Next SC Meeting**

Good Afternoon Brad,

We, WMES School Council, wanted to reach out to you and the town for two items. The first is that our next meeting is March 3 and will be online at 8 pm. We would love for you or a representative to attend our School Council meeting as a community member.

Secondly, attached is a letter detailing the new WOW Wall Initiative that we would love to have the town partner with us to celebrate students with outstanding character and accomplishments. Would you kindly let us know if the Town is able to assist us? If you have any questions, please do not hesitate to contact myself, Shauna or Shea our new principal (both cc'd)!

Thank you kindly for your time,

Rachel Green  
Chair
