Community Foundations – Letter of Support, Arena Score Clock

DESCRIPTION/BACKGROUND:

Claresholm Minor Hockey has expressed interest in applying for a Community Foundation Grant, Community Priorities Fund for the purchase of a new Score Clock for the Arena. The current Score Clock was purchased in the early 2000's through a sponsorship program with Coca Cola.

The new score clock can be customized with exterior and display colours. Score clock M6009CICE is \$14,086.00 plus GST and Freight from London, ON.

A new Score Clock will bring the Claresholm Arena up to speed with technology. Administration is looking to provide Arena users with LiveBarn for the 2025-26 Season, this is a subscription based on ice Video program that ties into the score clock so parents, guardians or friends have the ability to see what is happening on the ice. There are concerns that LiveBarn may not connect correctly due to the aging equipment.

Deadline for the Grant is March 15, 2025.
