Abe Tinney
CAO
Claresholm, AB

Dear Abe,

Please find attached the quarterly Community Policing Report covering the period from October 1st to December 31st, 2024. This report serves to provide a quarterly snapshot of human resources, financial data, and crime statistics for the Claresholm Detachment

In the coming weeks and months, we will be engaging with the community and holding town hall meetings as we have done in the past. This will provide us with an opportunity to interact with the community we serve and hear from them directly about what policing issues or priorities they would like our detachment to focus on. I look forward to attending these meetings to connect with our community and will be providing more details as we organize the town hall meetings.

I also want to inform you of the Real Times Operations Centre (RTOC) that is supporting RCMP detachments across Alberta. In October 2022, RTOC was established to optimize our response to incidents around the province. RTOC involves senior police officers monitoring policing operations in real-time, assessing incident risk, coordinating specialized and expert resources, and managing the response. They provide members on the ground with guidance, direction, and support. It is also used to coordinate the deployment of all RCMP resources – federal, provincial, and municipal, both within Alberta and, if required, nationally. The RTOC facility uses cutting-edge technology to provide real time support during emergency situations to RCMP officers across Alberta and is another measure used to enhance public and police officer safety.

I always remain available to discuss your community-identified priorities and any other ideas you may have that will enhance our service delivery to address the priorities that are important to you. As the Chief of Police for your community, I invite you to contact me should you have any questions or concerns.

Best regards,

P.M. (Perry) Pelletier, Sgt.
NCO i/c
Claresholm RCMP Detachment
