Subject: Letter of Support

Hi

On behalf of the Board of Directors of the Claresholm Social Centre Society, we are asking for a letter of support. We are applying for a Grant from the Community Foundation to purchase a new Dishwasher to accommodate the centre for the activities that require the kitchen. The cost is Approximately \$12117.50.

The Community Foundation requires letters of support from the community.

A letter of support from your organization would mean a lot to our board .

Sorry for the short notice but if possible to have a letter as soon as possible as our deadline is March 15th.

Glenna Povey

Director
