THE 60 DAY SCOOP

MAY 2025
EDITION #1

HELLO CLARESHOLM!

We're excited to bring you the very first issue of your new bi-monthly newsletter designed to keep you informed, connected, and engaged with everything happening in our town. This newsletter is the result of feedback from our Communications Survey, where many of you shared your thoughts on how the Town can better share news, updates, and Town happenings. One message came through loud and clear: you want timely, and accessible communication—and we're listening.

Whether it's council decisions, upcoming events, new initiatives, or project activities, this newsletter will serve as a reliable source of information delivered with your utility bills every two months.

Thank you to everyone who participated in the survey—your input directly shaped this initiative. We hope this newsletter becomes a valuable tool that helps build an even stronger connection between the Town and the community we serve. **Let's stay connected!**

DID YOU KNOW?

You can sign up to receive your utility bill by email rather than through regular mail. Under the **E-Billing Program** you will receive your bills in a timely manner and avoid the \$1.50 paper billing fee.

You can also sign up for the **Utility Payment Plan (UPP)**. UPP is a pre-authorized withdrawal from your bank that takes place on the 15th day of the month (or next business day) following receipt of your bill, helping to ensure payments aren't late or missed.

SIGN UP NOW

To sign up for E-Bills or UPPs you can access the applications on the Town Website or at the Town office.
