Dear Mayor and Councillors,

Our committee thanks you again for your support of our 2024 celebration and Fireworks Show! It was the best yet and the largest in southern Alberta!!

As you know, our Society is a fully volunteer group that organizes the Granum and District Canada Day celebration and the regional fireworks for the MD of Willow Creek and neighbours. We are proud of this fireworks display that pulls visitors from all around the southwest corner of Alberta. The crowd is growing every year and Granum has become THE best place to enjoy fireworks up close.

We hope we can count on you to help us again build a show to remember. Currently, major sponsorships are sought to support:

- The Remington Museum Carriage
- Children's entertainment
- First Nations Performance
- Canada Day Show and Shine
- And most of all - the FIREWORKS!!!

Other performances may be added to this list, subject to funding. Your company name could be associated with one of these events. All our sponsors are featured in our advertising and posters.

WE ALSO HOPE TO SEE YOU IN OUR PARADE – 7:30 IN THE EVENING IN GRANUM. Contact Linda at 403-715-5178 or email [canadaday@granum.community](mailto:canadaday@granum.community) for more information.

This event is only possible through the dedicated work of all the organizations in our community along with the financial contributions of our friends, neighbours, and local businesses. Thank you for your consideration and ongoing support of this celebration.

Sincerely,

Linda Petryshen, Vice Chair  
The Granum and District Canada Day Society
