Council Committee Report

Date: May 26, 2025

<p>Mayor Schlossberger</p>	<p>May 8 ORRSC executive meeting with staff. Staff wanted share ideas and concerns on hiring a new CAO. Our current CAO retiring at the end of this year. They really are not in favour of us hiring a recruiter firm. They would prefer we place ads in the traditional places first. Still trying to decide on hiring more staff, like Asst. Planners. There is going to be a time commitment to this process.</p> <p>May 9 Meeting with Admin and the hall board. Issues with the AC and electrical. Solved the electrical but on going concerns with AC units.</p> <p>May 9 BBQ at the Sparta House. Great burgers!! All donated by IGA. Sparta House looking for a director. Important part of our community. Good attendance.</p> <p>May 15 Abe & I met with the Matthews family to discuss re visiting the idea of a secondary dwelling on their agricultural transitional acreage.</p> <p>May 15 Sneek a peek party at the museum.</p> <p>May 15 Community Development Committee meeting with developers for Pine Place. Went very well. Need more details, but looks good.</p> <p>May 15 Mayors of Mid sized Towns. Great meeting. We now have 28 members and several others attended to collect information on joining. We agreed to continue with our single initiative of advocating for a separate pool of money for critical infrastructure for mid sized towns. Some are concerned this group is at odds with AB Munis. This is not the case at all.</p> <p>May 16 MPC. All good to action items only. Approved plans for the Blue Bird.</p> <p>May 16 Met Gary & Roxanne. They are having trouble with their sewer line. Tree roots.</p> <p>May 20 Coffee with council. Only 2 attendees. Lots of questions though.</p> <p>May 22 Attended a site selection webinar with Invest Alberta about a business looking for a site. Interesting.</p>
