SPONSORSHIP REQUEST

The Taste of Fort Macleod is returning! The Taste is a vibrant street fair-style gathering that brings together vendors from across Southern Alberta, providing them with a unique platform to showcase their exceptional products. After the overwhelming success and previous sold-out events, we are thrilled to host our most anticipated summer event once again this year. With current projections estimating over 600 attendees, this is an incredible opportunity to let your business shine. This year, the Taste intends to take over Historic Main Street. Vendors will be arranged from approximately second to third avenue, and the event will be bookended by a beer garden and a grilling competition. Entrance to the event will be via the Devonian Walkway, and there will be music provided by a DJ throughout the night. There are three advertisement opportunities available: Gold, Silver & Bronze.
