Arena Score Clock 2025

DESCRIPTION:

On Thursday January 23, 2025 there was an incident where our aging score clock released from its connection from the ceiling at the Arena, where it has been hung since the early 2000's. The metal around the eye hook connectors buckled, bent, and released sending the Score Clock crashing to the ground. It was fortunate that it was during a slow time, and there were no youth in the immediate area.

Administration worked with Minor Hockey to secure grant funding, Claresholm Minor hockey was able to locate a funding source with the Co-operators Insurance.

DISCUSSION/OPTIONS:

The Arena score clock was delivered Tuesday June 17, 2025 to the Town. The next phase of the project is for the Cooperators Logo to be added by a local supplier. The scoreclock is scheduled to be installed in late July.
