

JOIN US ON CAMP DAY- JULY 16th!

Dear **Mayor Brad Schlossberger**,

Have you heard? Tim Hortons Camp Day in support of our signature charity, Tim Hortons Foundation Camps, is coming up on Wednesday, July 16th and we need your support!

By offering your time to pour coffee and greet and thank guests in-restaurant, you'll be helping us generate critical funds to ensure youth from underserved communities can access the magic of Tims Camps at no cost to them or their families.

Since 1974, more than 325,000 youth have experienced our multi-year leadership programs that help them develop important life skills, inspire them to pursue higher education, secure meaningful employment, and ultimately break the cycle of poverty.

On July 16th, we'll reach even more youth by donating 100% of the proceeds from the sales of hot and iced coffees (bigger the size, bigger the donation!), Take 12s, and Camp Day bracelets to Tims Camps.

Show your commitment to empowering underserved youth by volunteering on Camp Day. Together, we're changing lives.

Thank you for your support!

Kind regards,
Kim and Kevin Generoux
