

Town of Claresholm

Council Committee Report

Date: July 14, 2025

<p>Mayor Schlossberger</p>	<p>June 25. Brownfield sites team meeting with GOA group looking after brownfield sites and abandoned wells. Development officer and I attended this meeting. No answers, no help and no money. The best they could do is try to find us answers on what these sites are testing for and what results they are finding.</p> <p>June 25. Attended Rowan House AGM in Okotoks. Very well attended. Very well funded and run organization. Claresholm FCSS donates \$5000 a year to this organization. They were very appreciative that Claresholm had representation at their meeting. They recognized Claresholm’s help and contribution to their organization.</p> <p>June 26. Attended ORRSC’s hiring committee meeting. Lenze is retiring at the end of this year. So we are looking hire a new CAO. Organizing what the job description looks like. Where we are going to advertise. Expected salaries asks. Interviews? Etc. See how this goes.</p> <p>July 3. ORRSC hiring committee’s second meeting.</p> <p>July 9. Fair days meeting. Getting organized. Busy weekend.</p> <p>July 10. Meeting with Dale Leier and a Chinese delegation from Vancouver. Discussed available land. Business & development opportunities. Did a tour of Claresholm and MD of Willow Creek airport. Good conversation. Stopped in at BRC aircraft. Marcus always happy to talk to people and show them what they are doing.</p> <p>Just 10. Mayors of Mid sized towns meeting. We are compiling a list of overdue infrastructure projects that are in the planning but no funds to fund them. 13 communities have supplied data. So far over half of the projects are infrastructure that was put in place in 1965 or older. Not good.</p> <p>July 10. Orrsc executive committee meeting. Going over budget. Subdivision applications are up significantly.</p>
