Subject: Request for Municipal Priorities and Grant Advocacy – Submission by August 11, 2025

Dear Mayors and CAOs,

I hope this message finds you well.

As part of my ongoing efforts to advocate for the needs of our communities in Livingstone-Macleod, I am reaching out to ask if your municipality has any current or upcoming priorities or grant applications under the following categories.

1. Provincially Owned Projects

These include assets owned and operated by the Province, such as Highways 2, 3, 16, 43, 520, and others.

2. Strategic Transportation Infrastructure Program (STIP) Projects

These are municipally owned and operated assets that receive cost-share funding from the Province.

3. Alberta Municipal Water/Wastewater Program (AMWWP) & Water for Life (W4L) Projects

These programs also support municipally owned and operated infrastructure with provincial cost-share funding.

If your municipality has any projects under these categories that would benefit from provincial advocacy, please share the details with my office **by August 11, 2025**. I would be happy to lend my support in advancing these priorities.

Thank you for your continued leadership and service to our communities. I look forward to hearing from you.

Warm regards,

Chelsae Petrovic

MLA, Livingstone-Macleod

MLA CHELSAE PETROVIC

Livingstone Macleod Constituency

587-424-2004
