

DELEGATION FOLLOW-UP

Meeting: August 11, 2025

Willow Creek Ag Society Delegation

BACKGROUND:

Willow Cree Ag Society representatives attended the July council meeting to announce that Claresholm will be the host town for the 2026 Alberta High School Rodeo Finals. They requested that the Town be prepared to assist with the event and have asked Council to consider what they could do.

Administration is prepared to assist in whatever manner Council wishes. Ideally, the Ag Society establishes a planning committee and town staff and/or council can attend planning meetings.

If Council wishes any action at this time, is should direct administration accordingly via motion.
