Friday Public Skate Sponsors

DESCRIPTION:

Town Administration has been successful in finding Friday Public Skate Sponsors for the 1:30-4 pm Friday public skate that runs weekly throughout the season (September 19, 2025 – March 20, 2025, 26 days). The schedule states 1-4pm, the half ice divider will be in for 1:30pm on the Fridays, allowing both shinny and public skate to run at the same time safely.

Letters were sent out to community groups in August 2025, and these organizations have committed the following funds for this initiative:

Stavely Elks BPOE #112 \$500
Claresholm Lions Club \$250
Claresholm & District FCSS \$250

A banner has been ordered for the North Wall of the Arena thanking these sponsors, and will be installed when ready.

Administration would like to earmark these funds for skating aids and other items as required for public skate.
