## CLARESHOLM SKATEPARK ASSOCIATION – GRANT APPLICATION

---

### DESCRIPTION:

The Claresholm Skatepark Association and the Town of Claresholm have been working on a landscape plan which includes phase 2 of the skatepark (a pump track) adjacent to the Town Office (currently working on a landscape plan with WSP which is still in draft form).

The Association would like to apply to the Community Foundation of Lethbridge and Southern Alberta for the Community Priorities Fund. They are applying for \$15,000 towards the project. The estimated budget for the pump track is \$260,000 but we have not received the final probably costs for the full landscape plan as of yet. The pump track design has been paid in full, so pending funding the project may be able to commence construction spring/summer 2027.

### PROPOSED RESOLUTIONS:

Moved by Councillor \_\_\_\_\_ to write a letter of support to the Community Foundation of Lethbridge and Southern Alberta for the Claresholm Skatepark Association's application for phase 2 of the park (pump track) and manage the funds on their behalf.
