RE: Alberta Community Partnership Grant – Town of Claresholm Alberta – Regional Water Treatment Plant Disinfection By-Product Mitigation Study

The Council reviewed the request from the Town of Claresholm to partner on the Town of Claresholm Regional Water Treatment Plant Disinfection By-Product Mitigation Study.

The Council has passed the following resolution supporting this grant application:

*Moved by Councillor Earl Hemmaway that the Municipal District of Willow Creek support the Town of Claresholm (managing partner) submission to the 2025/26 Alberta Community Partnership Program in support of the Regional Water Treatment Plant Disinfection By-Product Mitigation Study.*

*Carried Unanimously*

This project will enhance the regional water treatment plant that provides the Hamlet of Granum, Willow Creek Business Park, the Claresholm Airport, West Water Pipeline and other users within the MD of Willow Creek. We fully support this project.

Sincerely, on Behalf of Council,

Maryanne V. Sandberg  
Reeve  
Municipal District of Willow Creek No. 26
