**Subject:** Cares

Good afternoon, Karine

Cares will be applying for the Community Facility Enhancement grant with a January 15 deadline; I am hoping the Town would be able to provide a letter of support for them.

They are looking to upgrade the floor in the building and install cupboards to keep down airborne contaminants from the towels and blankets they use.

Any letters should be addressed to Lorraine Norgard.

Please let me know if you need any further information.

Regards

Liza Dawber
