Thank you, thank you, thank you, Brad.

We just can't say it enough! **Because you help make everything possible.**

And by everything, we really do mean *everything*.

You play a vital role in every life-saving mission. From ensuring STARS can launch at a moment's notice to equipping our crews with the skills and tools our patients depend on—and everywhere in between.

When the worst happens, **you** help give critically ill and injured patients across Western Canada a fighting chance. No matter where they are. No matter when it happens.

**PEOPLE LIKE YOU POWER STARS'
MISSIONS
YOU'VE HELPED MAKE POSSIBLE**

10
DAILYMISSIONS

10 daily missions completed on average in the 2024/25 fiscal year

3,694 missions completed during the 2024/25 fiscal year

63,000 missions (and counting!) completed since 1985

These numbers represent thousands of people—family, friends, neighbours, and loved ones—who were given a fighting chance. A chance they may not have had otherwise.

So once again, *thank you*, Brad. You truly help make *everything* possible.

With heartfelt thanks,

The STARS Crew

P.S. There are less than two weeks left to MATCH your gift! When you give before December 31, your gift can go twice as far, up to \$150,000. Thank you for helping save more lives.

If you have already made your generous donation to STARS, thank you so much! Our communications may have overlapped.
