Subject: Re: Meeting with Town regarding wandering & nuisance cats & kittens in Town

Hi Karine:

That date works for us. I have been in discussion with Tara over the months about the loose cats and unfixed ones with many batches of kittens + pregnant mother cats coming into the shelter. We would also like to review the Town's cat bylaw with them at the same time. If you need something more specific, please let me know. Sylvia Giroux will bring stats, and I will be attending as well as CARES' Chairperson.

Thank you very much.

Lorraine
