REQUEST FOR DECISION

Meeting: January 26, 2026

BODY-WORN CAMERA POLICY ADDITION

The Town of Claresholm has received their authorization to employ Peace Officers. As part of the on-boarding of the program, the Peace Officer would like to add the component of a Body-worn camera. The Town operates the watchguard system with in-camera dash cam and microphone, but the addition of the body-worn camera can be operated through the same system and adds another element of safety when the officer is away from the vehicle.

In order to add this additional piece of equipment the use, operation and storage of the information gathered must be included in policy. Please see the attached draft policy amendment for review and adoption. Additions are noted in blue.

PROPOSED RESOLUTIONS:

Moved by Councillor _____ to adopt policy 5.3.16, the Town of Claresholm's Incident Capture System policy v 1.2 effective January 26, 2026.

ATTACHMENTS:

- 1.) Policy 5.3.16 v 1.2

APPLICABLE LEGISLATION:

- 1.) Policy 5.3.12
