Subject: Sponsorship

Good morning!!

We are well on our way planning the finals!! We are wondering if the town would consider sponsoring a saddle? The MD has committed to a saddle and we thought it may be a fit for the town as well!! Attached is the sponsorship pamphlet. The only catch is to get them ordered we need to have the commitment by February 15 to have the saddles ordered and logos on them!! Sorry for the short notice the saddle maker just set its dates!!
