

The Alberta High School Rodeo Provincial Finals represent the highest level of competition for Alberta's youth rodeo athletes — the culmination of a season of dedication, grit, and growth

Your sponsorship directly supports this premier event, helping provide championship awards, safe facilities, and a professional production that our young athletes will remember for a lifetime.

The 2026 Alberta High School Rodeo Association Provincial Finals, hosted by the Willow Creek Ag Society in Claresholm, Alberta, celebrate more than competition — they honor Alberta's western heritage, the values of hard work, and the importance of community.

Together, we're teaching, building, and preserving the traditions that make rodeo more than a sport — it's a way of life
