5.0 MP AND MLA UPDATES

5.1 MP Reports –

**5.2 MLA Reports –
MLA Grant Hunter**

- Discussed the motion under the Alberta Sovereignty Act to defend Albertans from the Federal gun ban.
- Discussed the MOU signed to build a pipeline through to the coast. This will double exports in Canada and gain access to other markets.
- Discussed finalizing union deals.
- Discussed Bill 12, the Financial Statutes Amendment Act.
- Discussed Bill 11, the Health Statutes Amendment Act. This is based on a European style health care, that shows ample evidence of reducing wait times. Everyone will have access to public universal healthcare but doctors have the ability to practice publicly in the day and privately in the evenings and weekends. This will hopefully attract more doctors into our province.
- Discussed Bill 13. Albertans should have the ability to say what they believe, outside of their practice, without fear of being sanctioned for it.
- Discussed the findings of dismantling AHS. It seems that they are the catch all for every department. There are 1000 new beds being built between Edmonton and Calgary for acute care.
- Discussed Bill 14. This bill articulates that nobody can take over a legacy party.
- Discussed enclosure hunting and heard the concerns regarding this.
