NCO i/c  
Claresholm RCMP Detachment

Dear Mr. Abe Tinney

Please find attached the quarterly Community Policing Report for the Claresholm Detachment. It outlines staffing, financial information, and crime trends for the Claresholm Detachment area, and supports our commitment to transparency and ongoing collaboration with our community partners.

Through both provincial and municipal policing contracts, the RCMP serves roughly 40% of Albertans across 95% of the province, including your community. That is why it is so important that our work is centered on people — the frontline members serving your community, the support teams behind the scenes, and the Albertans who rely on us every day.

The Government of Alberta's Police Funding Model (PFM) has strengthened our ability to meet those needs. With your contributions, we have added 279 police officers, 136 directly to detachments, along with 242 civilian staff, including 77 supporting detachment operations. These investments have also enabled the development of a Real-Time Operations Centre to support frontline officers, the expansion of our drone program, enhanced investigative capacity, and the addition of a third specialized Emergency Response Team.

These resources, along with the dedication of our employees and the support of your community, have helped bring Alberta's crime rates to their lowest point in five years — and we are committed to building on this progress together.

I welcome continued conversations about your community's policing priorities and any ideas that can help us strengthen our service. Working collaboratively is essential to maintaining this forward progress, and I encourage you to reach out at any time with questions, concerns, or suggestions.

Sincerely,

Sgt. Perry Pelletier
