Good morning Abe,

We are putting on a very exciting venture for the kids in our community!! With a spring football skills development camp! We are bringing in high level coaching and plan to give kids a unique opportunity to grow their skills as well as first time players the opportunity to check out the sport and get out and play!!

We are looking for sponsorship and donations to help make this oppertunity happen! Below is a letter laying out all the details

Thank you for your consideration and have a great day!!
