

REQUEST FOR DECISION

Meeting: April 13, 2026

Aquatic Fees Adjustment

DESCRIPTION/BACKGROUND:

The Recreation Fees Policy #5.7.10 was last updated February 22, 2025. The Aquatics Services Coordinator evaluated the Aquatics rates and recommended a change.

DISCUSSION/OPTIONS:

The proposed rates change will bring the Claresholm Aquatic Centre rates in line with comparable facilities. There is also creation of a new rate structure, offering 1,3,6, and annual(11) month passes. The rates structure has also changed for lane rentals, swim club rentals, as well as additions to the equipment rental and storage fees. As administration is moving to an online booking software, Activate Net, we can implement the new rates into the system.

The proposed rate changes will increase service fees and thus revenues generated at the Aquatic Centre, which will offset operational costs and overall tax burden on Claresholm residents and businesses.

PROPOSED RESOLUTIONS:

Moved by Councillor _____ to adopt the new aquatic rates as presented.
