My wife Maureen and I wish to add our voice and opposition, to that of the other residents of Derochie Dr, who have expressed there disbelief and disappointment with the Town for allowing this event to take place in our backyard.

Simply put, this is not an event that should take place anywhere within the Town limits. It is noisy, smelly and potentially dangerous. When Jason Toone was asked why hold it in town, he stated it was unique, it doesn't happen anywhere else. I would suggest to Mr Toone it is because other municipalities would not allow it.

I also see that Mr Toone committed to following the rules this year. Hopefully, the Town will have someone with authority to hold him to his promises at the event, so that we are not subjected to noise and smell late into the night.
