Dear Mayor and Councillors,

In a twist of unseen circumstances, property taxes for Bluebird Motel were paid late. The deadline for payment was June 28th. While the taxes were paid on June 29th.

I have owned Bluebird Motel for fourteen(14) years and this is the **first time** the payment has been late. By ONE day.

While I was in Vancouver in mid June, when my wife's sister passed away in Florida. My wife has been coordinating the sister's illness and care for some time. In a rush to get to Florida, I did not take my computer with me. So, there was no way to make that payment.

Coming back to Alberta from Florida, the flight was slightly delayed, so we are arrived late on the 28th. I made the payment, however, it did not get processed until the following business day.

Since, I have been charged a penalty, I seek the council to forgive the penalty.

In the past I have been very involved in activities of Claresholm, including being President of the Claresholm Chamber of Commerce, commissioning of the murals, getting the Lieutenant Governor and Premier of Alberta to visit Claresholm, organizing the trade fair, Mexican Fiesta, just to mention a few.

I await your consideration.

Thanking you in advance.
