Box 1000
Claresholm, AB

Dear Mayor Schlossberger and Council,

RE: Proposed Bylaw No. 1781 – Evolution Area Structure Plan SE 23-12-27-W4M

The Council of the M.D. of Willow Creek acknowledges receipt of the resolution from the Intermunicipal Development Plan Committee:

“Moved by Reeve Sandberg to recommend the MD Council of Willow Creek No. 26 send correspondence to the Town of Claresholm to accept the Evolution Lands ASP as presented.”

The Council has received a report from the Intermunicipal Development Plan members on our issues of concern which included assurance that Township Road 271 would remain open, details regarding the Stormwater Management Reservoir as well as assurances that water treatment and distribution capacity of the Town water systems includes continued capacity for the Hamlet of Granum.

As such the Council has passed Resolution C-24/435 at its July 24, 2024 meeting:

“Moved by Deputy Reeve Alm to accept the recommendation from the MD of Willow Creek and Town of Claresholm Intermunicipal Development Plan Committee to accept the Evolution Lands Area Structure Plan as presented. Additionally, to indicate to the Town of Claresholm that the M.D. wishes to be included in coordinating upgrades to RR 271 within the M.D. when upgrades occur to that portion of the road within the Town.”

We thank you for the opportunity to comment on this matter and appreciate the information provided.

Sincerely, on Behalf of Council,

Maryanne V. Sandberg
Reeve
