September 5, 2024

Dear Mayor and Council,

On behalf of the Board of Directors of the Claresholm Social Centre Society, I am asking for a letter of support from you for a grant application.

The CSCS is applying for a grant through the New Horizons for Seniors Program (NHSP) Community based stream. This program is a federal grant program that supports community-based projects designed by seniors for seniors. The program funds projects that empower seniors in their communities and contribute to improving their health and well-being.

Our grant request will consist of the funds for a kitchen and building renovation in the amount of \$21,832, This will include the following:

- Purchase of a new stove for the kitchen in the Social Centre building. The current stove is 6 years old and is a basic appliance. When it was purchased, the amount of use it currently receives was not anticipated.
- Minor renovations in the kitchen to accommodate the new stove.
- Purchase of a new sink and sink faucet to accommodate the increased usage.
- Minor renovations in the kitchen to accommodate the new sink.
- Funds to paint the interior of the Claresholm Social Centre building.

This renovation will enable the Claresholm Social Centre to better accommodate both current and future usage of the facility.

We look forward to your support and to hearing from you.

Respectfully yours,

Joan Maclsaac, Treasurer
