Subject: Re: Ice user fees

Hi Karine,

My name is Jodie Gibson and I am president of Claresholm minor hockey.

I reached out to Abe last week about getting added to town councils meeting this upcoming week regarding ice fees. I believe he was on holidays and was informed you may be the one to reach out too instead for this request.

If you can please let me know if this can be added to the agenda for this upcoming Sept 9th meeting.

Topic for discussion

Ice fees increase -20% increase in 2 years. Would like to discuss decreasing the 10% increase for this year.

Thank you,
Jodie
