To Mayor and Town Council:

Grant: Community Facility Enhancement Program

The Kinsmen Club of Claresholm would like to apply to the Community Facility Enhancement Program (small stream) for upgrades to local ball diamonds within the community. These facilities are in need of major upgrades, and all require shale replacement.

The deadline for the grant application is January 15, 2025. The project cost is \$96,000, the Kinsmen are applying for \$46,000. We are requesting a letter of support from Town Council, and a commitment of \$50,000 for the project.

The Kinsmen wish to thank you in advance for the support you are showing with these Grants and upgrades to community spaces.

Regards,
