

To Mayor Schlossberger and Council Members,

We would like to thank you for your donation of the ice time and mezzanine for the weekend of our charity hockey tournament. We really appreciate your support!

The last tournament we hosted, we ran into the issue of spectators and players bringing in their own alcohol into the downstairs, of the arena. It was suggested that we get a liquor license and sell beer and coolers downstairs throughout the weekend, as well as our regular bar upstairs. We have spoken to AGCL and can do this; under our liquor license we have for upstairs. We are requesting the approval of The Town to sell liquor downstairs a half hour before the first game played until the end of the last game, each day, but not selling prior to our liquor license sales set up AGLC. We would have 2 stations set up, one just inside the main doors of the arena and one in between the 2 bleacher sections. This will help monitor liquor leaving the arena and outside liquor being brought in. We will discourage players and spectators from coming in through the Zamboni doors, as well as having both sets of North doors and the south door by the dressing rooms locked from the outside. According to our liquor license this will allow patrons to have liquor in the stands, and players in the dressing room. We will have volunteers that will help the rink guys out with picking cans etc. up from the stands and dressing rooms, throughout the weekend. We will have volunteers throughout the arena monitoring behavior and if need be will ask patrons or players to leave if not following the rules laid out by our association.

Thanks again for the support and we hope to see you in the stands for the tournament!
