

To Whom It May Concern

We would like the opportunity to provide the Mayor and Council with a short update on the issue of domestic violence and abuse in Claresholm and the new programs and services Rowan House Society can provide to support individuals and families experiencing domestic violence and abuse in the community.

In less than a year, Rowan House Society will be celebrating 25 years of supporting the communities of Foothills County, Vulcan County and MD Willow Creek. We are excited to be sharing remarkable achievements of supporting our communities. When we think about what has led to that milestone, and the generations of individuals and children who have accessed Rowan House Society, we are deeply humbled.

We're here because individuals, just like you, have trusted us to be part of their lives, now and into the future. We are honoured to support the community through our following programs:

- 24-hour Support Line
- Emergency Shelter
- Children's Program
- Preventative Education Program
- Outreach Program
- Court Support Program
- Safe at Home Program

Compassion is at the heart of everything that animates the staff at Rowan House Society. Building confidence, reducing feelings of vulnerability and empowering people- letting them experience firsthand how just one individual or experience can make a difference. Daily our skills, commitment and tenacity enable us to act, make a difference and work with those who are affected by domestic violence and abuse.

Supporting Communities Supporting Us

Sincerely,

Linette Soldan
